

Internship Assignment: Google Ads (Search, Display & YouTube)

Objective

To help interns understand, plan, create, and optimize campaigns across **Google Search, Display Network, and YouTube Ads**, while focusing on real-world marketing outcomes.

Part 1: Fundamentals (Understanding)

Task:

Research and summarize the following concepts:

1. Difference between:
 - Search Ads vs Display Ads vs YouTube Ads
2. Key terms:
 - CPC, CPM, CTR, Conversion Rate, Quality Score, Types of keywords and its use cases
3. Targeting types:
 - Keywords (Search)
 - Audience targeting (Display/YouTube)
4. Ad formats in each:
 - Search Ads
 - Banner Ads
 - Video Ads (Skippable, Non-skippable, Bumper)

Deliverable:

 2–3 page document or PPT explaining concepts with examples

Part 2: Search Ads Campaign

Task:

Create a mock Search Ads campaign for: **Product/Service:** (Choose one)

- Online course
- Local gym
- E-commerce product
- Coaching institute

Requirements:

- Campaign Objective
- Keyword Research (at least 15 keywords)
- Keywords Match Types (Broad, Phrase, Exact)
- Negative Keywords (at least 10)
- 2 Ad Copies:
 - Headlines (10–12 variations)
 - Descriptions (3–4)
- Extensions:
 - Sitelink
 - Callout
 - Structured Snippet

Deliverable:

 Google Sheet / PPT with campaign structure

Part 3: Display Ads Campaign

Task:

Create a Display campaign for the same product/service.

Requirements:

- Target audience (Demographics + Interests)
- Placement strategy (apps/websites)
- Banner Ad Ideas (at least 3 concepts)
- CTA variations
- Budget allocation strategy

(Optional but preferred)

Design sample banners using Canva with sizes:

- 300x250
- 728x90
- 1080x1080

Deliverable:

 Presentation + Banner creatives

Part 4: YouTube Ads Campaign

Task:

Plan a YouTube Ads campaign.

Requirements:

- Campaign Objective (Awareness / Leads / Sales)
- Target audience persona
- Video ad script (30–60 seconds)
- Hook (first 5 seconds)
- Call to Action
- Ad type selection (In-stream, In-feed, Shorts Ads)

Bonus:

👉 Suggest music style, visuals, and editing approach

Deliverable:

👉 Script + Campaign Plan (PPT or Doc)

 Part 5: Budget & Optimization Plan

Task:

Assume a budget of ₹50,000/month and:

- Allocate budget across:
 - Search
 - Display
 - YouTube
- Explain why
- Suggest KPIs:
 - CTR
 - CPC
 - Conversions
- Optimization ideas:
 - A/B testing
 - Audience refinement
 - Bid adjustments

Deliverable:

👉 Budget sheet + strategy explanation
